

Discussion Questions Fridays Parent/Youth Forum

1. What would be the best way to contact you?
2. What do you know about the provision/structure of the youth department that we currently have?
3. How effective is the youth ministry? What are doing well/what are we lacking and how can this be improved?
4. What are the challenges/hindrances that stop you from engaging with the youth department?
5. Would you be interested in getting involved in the youth department, If so in what capacity?
6. How do we move forward and future proof the youth department?
7. What do you believe the young people in our community need, and how can the church meet these needs?
